### **DETAILED ACTION**

1. This action is issued in response to applicant's appeal brief filed 3/18/05.
2. Claims 1-33 are allowed.

### **Allowable Subject Matter**

3. Claims 1-33 are allowed over the prior art of record.
4. The following is a statement of reasons for the indication of allowable subject matter:

Regarding independent claims 1, 14, 20, and 21, the prior art of record fails to disclose or suggest the claimed provision of: creating a state file to be associated with a version of a composite product to be created, the state file specifying a selected version of at least one selected data product to be used in creating the composite product, using the state file to access the selected version of a selected product from the database, creating a version of the composite product by including therein at least a portion of the selected version of the selected product, and generating a state history file associated with the version of the composite product, the state history file indicating that at least a portion of the selected version of the selected product is included within the version of the composite product., in conjunction with remaining claim provisions is not taught or suggested, or obvious over the prior art of record or that encountered in searching the invention.

5. The dependent claims 2-13, 15-19, and 22-33, being further limiting to the independent claims, definite and enabled by the Specification are also allowed.

### **Comments**

**The date on which the petition under 37 CFR 1.136(a) and the appropriate extension fee have been filed is the date for purposes of determining the period of extension and the corresponding amount of the fee. In no case may an applicant reply outside the SIX (6) MONTH statutory period or obtain an extension for more than FIVE (5) MONTHS beyond the date for reply set forth in an Office action. A fully responsive reply must be timely filed to avoid abandonment of this application. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."**

6. As allowable subject matter has been indicated, Applicant's response must either comply with all normal requirements or specifically traverse each requirement not complied with. See 37 CFR 1.111(b) and MPEP section 707.07(a).
